

## ***Birchwood Consulting Launches New Website***

May 2009

Birchwood Consulting is celebrating its' 10<sup>th</sup> anniversary this year. To better represent our company and the services and results we've provided to our clients since 1999, we are introducing a new logo and re-launching our website. Please take a few minutes to review case-studies of our experience on the **Results** page. Then, visit the **Indicators** page to explore your organization's opportunities for improvement and use the **calculator** to quantify the impact of those improvements. Learn why **94%** of Birchwood's clients re-hire us.
